

MAGNAT CSB 1000 – THE ALL-ROUND HOME CINEMA SOUND SYSTEM

„[...] In the listening test there was something like love at first sight. Or should we say ‘first sound’? If something sounds really good, you’ll notice at once. In this case the tonality was very harmonious and pleasantly warm. It is particularly the crisp, dry punch in the very low-reaching bass range that made the CSB 1000 stand out from the booming competitors ...“

„[...] But also in terms of music the Magnat sounded just magically ...“

Read full test report in **VIDEO 02/2019**.

Conclusion:

„With its CSB 1000, MAGNAT has landed a really big hit. The combination of a bar and a bass module sounds as well-balanced as broadband. The dry, deep bass is top class. The tremendous options thanks to numerous HDMI inputs and wireless connectivity via WLAN plus its control by app make it the perfect choice for all those whose rooms don’t allow for a full multi-channel system for reasons of space. And the Magnat CSB 1000 may as well replace the stereo system.“
