MAGNAT HUMIDOR

“ [...] We like the speakers’ articulation. The rich midrange grants power and expressiveness, particularly to voices.”

“ [...] The impressive mids are completed by an equally powerful bass range, that one wouldn’t expect considering the cabinet size.”

Conclusion:

„The compact speakers Magnat Humidor combine timeless elegance and relaxed sound, that will never get boring. Detailed trebles, rich mids and dynamic basses characterize the bookshelf speakers. In terms of installation and choosing the right co-players, the Humidor reveal to be extremely straightforward and allow an easy access to the high-end world.“
