FULLY ACTIVE HOME CINEMA SOUNDBARS FROM MAGNAT  
WITH WIRELESS SUBWOOFER, BLUETOOTH® AND HDMI®

# Magnat

# SBW 300 + SBW 280

## A CINEMA SOUND WITHOUT THE HEADACHE

All of the qualities that you expect from a Magnat speaker are also embodied by the elegant, slim soundbars. Of course, we have also given a lot of thought as to how you can enjoy a cinema experience within your own four walls in the easiest way possible. All it takes is just a few simple steps to fill your home with an impressive surround sound instead of the dismal audio produced by your TV.

## CINEMA SOUND REALLY CAN BE THIS EASY

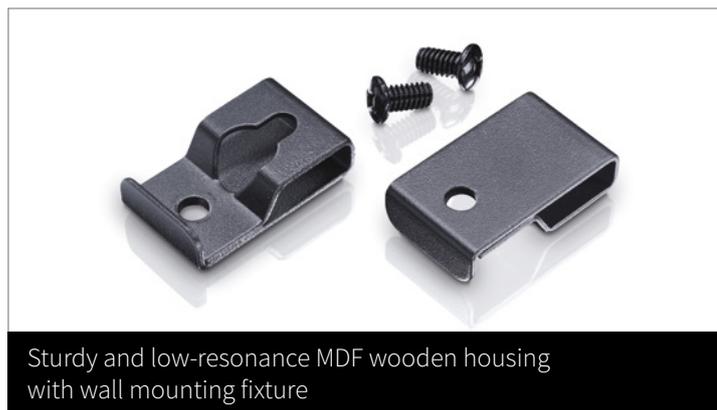

Unpack, connect and enjoy. Thanks to Magnat's soundbars, you will be enjoying a perfect and, above all, uncomplicated cinema experience within your own four walls in no time at all. Instead of the embarrassing sound produced by your TV, you can now enjoy impressive cinema audio with friends and family - all in a thoroughly stylish setup.

## RICH BASS AND EVEN WIRELESS

Our soundbars always include an active subwoofer for the very low frequencies. As these frequencies cannot be located by the human ear, this active woofer can be positioned virtually anywhere in your room. In order to take full advantage of this feature, the subwoofers of the SBW series are wirelessly connected to the soundbars.

## FULLY ACTIVE HOME CINEMA SOUNDBAR WITH WIRELESS SUBWOOFER, BLUETOOTH® AND HDMI®

- Fully-fledged, dynamic home cinema sound from a slim soundbar and a wirelessly controlled high-performance subwoofer
- **SBW 300:** 3.1 configuration with center speaker unit for best speech intelligibility
- Simple installation thanks to numerous inputs, while HDMI® enables direct connection to a TV set
- Dolby® Digital decoder (for HDMI® and digital input)
- HDMI® with ARC and CEC functionality (supports operation of the soundbar via your TV's remote control)
- Bluetooth® with the latest high-end audio standard, namely „Qualcomm® aptX™“, ensures your music is transmitted in CD quality
- Perfect integration in the living room through the slim soundbar with a sturdy wall bracket and compact subwoofer
- Realistic, DSP-controlled 3D surround sound program for films and music
- Three equalizer presets for optimal playback of films, music and enhanced speech intelligibility
- Adjustable subwoofer level (via a menu) for optimal bass response
- Night mode with a reduced dynamic range for use when the volume needs to be kept low
- Control panel on the top of the soundbar with LED status indicator
- Entirely controlled through the system remote control
- Sturdy and low-resonance MDF housings for the soundbar and subwoofer

## TECHNOLOGY

### Soundbar:

- **SBW300:** Three high-quality stereo two-way systems with a total of 3 tweeters and 6 mid-range drivers
- **SBW300:** A six-channel power amplifier (separate amplifiers for tweeters and bass-midrange drivers, with a total output of 30/60 watts RMS/max per channel) with digital filtering ensures optimal dynamics and sound quality
- **SBW280:** Two high-quality stereo two-way systems with a total of 2 tweeters and 4 mid-range drivers
- **SBW280:** A four-channel power amplifier (separate amplifiers for tweeters and bass-midrange drivers, with a total output of 30/60 watts RMS/max per channel) with digital filtering ensures optimal dynamics and sound quality
- Basic functions can be controlled directly via the control panel on the top of the device
- Sturdy and low-resonance MDF wooden housing with wall mounting fixture
- Low power consumption in standby mode: < 0.5 watts

### Subwoofer:

- Separate active side-firing subwoofer with a high-performance long-throw chassis
- Digital signal transmission from the soundbar to the subwoofer
- Front status LED
- Aerodynamic bass reflex tube at the front of the device
- Elegant and compact housing design

## CONNECTIONS/INPUTS

- HDMI® ARC input for direct connection to a TV
- HDMI® CEC function: Allows you to operate the system via your TV's remote control (if supported by your TV)
- Optical digital input
- Analog 3.5 mm jack input
- USB input for playing MP3 and WMA files
- Bluetooth® (version 5.0) with aptX®

THE POWERFUL LONG-THROW WOOFERS, WHICH MEASURE 200 MM AND 250 MM IN DIAMETER, ARE DIRECTED TO THE SIDE, WHILE THE AERODYNAMICALLY SHAPED BASS REFLEX TUBE ENDS AT THE FRONT.

Control panel on the top of the soundbar with LED status indicator and fully controllable via the system remote control

HDMI® input, optical digital input, analog 3.5 mm jack input, USB input and Bluetooth® 5.0 aptX® for perfect musik streaming

## SBW 300

Fully active 3.1 home cinema soundbar with wireless subwoofer, Bluetooth® and HDMI® functionality

### PRINCIPLE

Soundbar: 3 x 2-way systems,  
Subwoofer: powered vented subwoofer

### EQUIPMENT

3 x 0.75" dome tweeter  
6 x 3" x 1.9" midrange  
1 x 10" subwoofer

### TOTAL POWER OUTPUT

210/420 watts

### POWER OUTPUT (RMS/MAX)

3 x 30/60 watts (L, C, R channel)  
1 x 120/240 watts (subwoofer)

### FREQUENCY RESPONSE

24 – 28.000 Hz

### CROSSOVER FREQUENCIES

160/3250 Hz

### MAINS POWER

100 – 240 V / 50 – 60 Hz

### CABINET SURFACE

Black

### DIMENSIONS (WxHxD)

Soundbar: 1200 x 75 x 90 mm  
Subwoofer: 230 x 394 x 400 mm

### WEIGHT

Soundbar: 4.8 kg  
Subwoofer: 8.9 kg

### ART.NO. /EAN

171 290 / 40 18843 71290 1

### RRP

699 € / set
