## “A PURE PLEASURE”

“[...] In our listening test, the 5.1 set from the Signature 500 series proved to be an extremely coherent, harmonious and balanced combination. The 505 front speakers and the Center 53 speaker manage to recreate the sound stage with flying colors, whereby neither tonal nor dynamic drops are identified. Vocals and audio effects are reproduced with vigor in a crystal clear manner...”

“[...] Overall, the 5.1 set from the Signature 500 series is really fun and combines a balanced, neutral reproduction with an enormous level of enthusiasm.”

**Conclusion:**

“The Signature 500 series from Magnat reproduces a home cinema sound of a remarkably **high level**. The speakers in the series cater for bass-midrange frequencies thanks to high-tech drivers and a premium dual tweeter array ensures thrilling dynamics and a tremendous amount of joy, paired with audiophile properties such as neutrality, meticulous reproduction of details and perfect spatiality. This powerful set does not cost a fortune and is a **real must buy** for discerning lovers of music and home cinema sound.”
