**Magnat Sounddeck 160
sehr gut**

VERY GOOD

SPACE-SAVING TV SPEAKER FOR FILM, TELEVISION AND MUSIC

„[...] The Sounddeck 160 delivers an incredible full range of sound from normal TV programs and produces an appealing performance with its balanced audio and exquisitely detailed reproduction. Thanks to its tonally neutral coordination, the voices of news anchors sound very authentic and clear with a level of expressiveness that is first class. Magnat's sound deck is also impressive across the board when it comes to music and film audio. The integrated woofer allows the speaker to reproduce a rich bass range that is characterized by decent pressure and a respectable depth. When switching between the different sound modes, the Sounddeck 160 scores highly due to its acoustic versatility. Whether it's used to provide an effective surround sound, center-weighted vocals or bass-heavy film audio, Magnat's Sounddeck 160 delivers first-class sound quality for all audio sources.”
