# Magnat<sup>®</sup>

"(...) With their Tempus 77 Magnat have successfully shuffled up the crowded market for upper entry-level floor-standing speakers. Thanks to their good workmanship and nice appearance, but most notably thanks to their surprisingly mature, harmonious sound and high detail resolution, the Tempus 77 not only perform masterfully, but directly advance to the top of their class. Their high sensitivity and outstanding ability to generate high volumes are additional plus factors.

Magnat does everything right with its Tempus 77: Sophisticated sound, very high power handling, excellent workmanship and good value for money. (...)"
