

SYMBIOSIS OF RETRO DESIGN AND SMART TECHNOLOGY

listening test:

„During the sound check, the Transpuls 800A immediately pleases with an impulsive and dynamic sound that proves assertive even at high volumes. Thanks to the discreet midrange reduction, the Magnat speakers never become obtrusive or loud, always sounding slim and grippy. Whether movie and TV sound via HDMI or CD sound via the digital input, the Transpuls scores with lively playfulness and spirited drive.“

„When playing music wirelessly via Bluetooth, the active Magnat speakers impress with dynamic high-frequency reproduction. Thanks to the front horn end, the Transpuls 800A sounds pleasantly three-dimensional, making music, video and game sound remarkably authentic.“

Sound:	Very good
Equipment:	Very good - Outstanding
Usability:	Very good
Price/Performance:	Very good
Overall:	Very good

Conclusion:

„Magnat completes the popular Transpuls series with the 800A active loudspeakers in a befitting manner. The small speakers sound really big, offer powerful sound and many connections including wireless audio input. As a result, the Transpuls 800A is the perfect speaker for music, TV and gaming fans who want modern technology and classic looks in one powerful compact speaker.“
